THE GARDEN

LATE POTATOES

By John S. Gardner, Kentucky Co. Editor of Agricultural Extension

In Kentucky, "late potatoes" are those which are planted in the garden in the latter part of the season. They may be the so-called "late" potatoes which are planted in the garden in the latter part of the season, or they may be the "early" potatoes which are planted in the garden in the latter part of the season.

PAUL SOLVER CHURCH

Problems. The church is a social institution and it has a duty to perform in the world. It should be a center of life and activity for its members and for the community.

NO ROAD BONDS

(Elizabeth News) Kentucky is one of fifteen states in the Union that has no outstanding road bonds. Other states are Arkansas, Connecticut, Florida, Georgia, Indiana, Iowa, Nebraska, North Dakota, Ohio, Oklahoma, South Dakota, Texas, Washington and Wisconsin. Several of these states, however, have "contingent" bonds which are not actually outstanding but which are subject to the same as a state bond.

To Vote Dry Vote Yes

No Revenue Will be Lost to Nicholas County

DON'T BE MISLED

Outside of the local license fees charged on beer and whiskey dealers—which do not even take care of the drinks—Nicholas County will lose NONE OF THE GENERAL REVENUE from the 79 distilleries and 7 breweries operating in Kentucky.

NOT BY MY VOTE

Men will have strong drink, and men will sell liquor, BUT

NOT BY MY VOTE

Saloons may go like the brook, forever, and men may die by the thousands in them.

NOT BY MY VOTE

Truth may be wrecked and character demoralized, homes may be destroyed, and women and children beggared, but

NOT BY MY VOTE

Clubbism may be caught in the saloon snare, the victims of alcohol may fill our jails, almshouses and insane asylums, but

NOT BY MY VOTE

The saloon may degrade and impoverish the people, bringing sickness, disease and pauperism. It may breed anarchy and crime, but

NOT BY MY VOTE

The prohibition may increase the drink traffic and for a consideration take away from the innocent and law-abiding citizen the general fund of the state.

NOT BY MY VOTE

The liquor traffic may corrupt the social and political life of the nation if we will not vote against it. How far will it go towards paying the cost of the crime and pauperism in this county caused by liquor? How far will it go towards paying the cost of the crime and pauperism in this county caused by liquor?
