TO THE VOTERS OF NICHOLAS COUNTY

I am following an old custom and am asking the Mercury to announce as a candidate for Circuit Court Clerk of Nicholas County. I am not entering this race for any political reason, there might be as many at least some one, but am running because I need the job and feel I am qualified to fill the office. I have been doing office work since I lost my hand at the Park's Ferry saw mill when I was a young man, thus have had plenty of office experience in office work. I have lived in the county all my life, am between 50 and 60, married and have a family of five.

I have selected Edward Letcher, of Carlisle, to be Deputy Clerk should you elect me to this office. Edward is a young man just twenty-one and was graduated from Carlisle high school this year after a hard struggle, due to his disability. You that know him as I do know that he can never do any going but office work and I will say right now that if you see fit to elect me, I expect to call at your home and ask your help in this race.
