Experienced poultry raisers have found that it pays to feed Tuxedo Eggmash in either mash or pellet form. They have proved that it gets more eggs at lower net cost, because Tuxedo Eggmash contains the animal proteins, the cereal and mineral elements, including manganese, their lay-ens need. Come in, let us explain why you get greater feeding value and increased profits with Tuxedo Eggmash.

FROM OVER THE LINE

(By J. W. Rogers)

"In peace, children bury their parents. In war, parents bury their children."

'Tis not in titles nor in rank, 'Tis not in wealth like London Bank, to make us truly blest; If happiness has not her seat and center in the breast, they may be famous, rich or great, but never can be blest.

"We should be thankful together, whatever the weather, and murmur not."

Glad to report the family of Mr. W. T. Miller, once citizens of Waggoner, Harrison county, now of Miller Station, Nicholas county, as doing well on Transylvania farm lands. The daughter, Miss Lutie Miller, is a "shut in" paralytic, but nevertheless, an optimistic, cheerful little girl in her ever ready rolling chair, helping do things in the home.

We enjoyed a social interview last week with Mrs. Myrtle Kenney, her daughter, Miss Sue Olive, and her son, Ermine Kenney, all of Saltwell vicinity. They told us many things about people and things in their section, and reasoned well about successes and failures in life's work. We were confused and amused and somewhat enthused, when they told of the advent of a son in the home of Robert Kenney and wife, Gladys Hollar Kenney, christened Robert Kenney, Jr., "long live little Bob" and all the rest of the Kenney family.

With our forces united, all wrong things righted, and nobody excited, the Democrats will have be a big majority in November. Look out for it.

Rev. Gaunce, of Nicholas county has been preaching at Harrison county at last two weeks in a protracted meeting conducted by Rev. S. L. Moore, the well known general uplift of the spirit and condition of the church is reported.
