DO YOU KNOW?

—THAT BETWEEN 1933 AND 1937, (THE LAST FIVE YEARS) THE VALUE OF KENTUCKY MANUFACTURES ROSE FROM \$298,000,000 TO \$505,000,000?—

—THAT A GREAT PART OF THIS RISE IN KENTUCKY'S INDUSTRIAL IMPORTANCE WAS DUE TO THE NEW-FOUNDED DISTILLING INDUSTRY ALONE?—

—THAT THERE IS NO FARMER, MERCHANT OR WORKING MAN IN THIS STATE WHO DOES NOT BENEFIT FROM KENTUCKY'S NEW-FOUNDED INDUSTRIAL LIFE?—

A GOOD PART OF KENTUCKY'S PROSPERITY HINGES ON KENTUCKY'S DISTILLING INDUSTRY

WHAT'S HAPPENED? In Europe

By Dr. Charles M. Knapp UNIVERSITY OF KENTUCKY
