State Officials Will Be Elected Tuesday, Nov. 7

Campaign Leaders Forecast Majority Of More Than 100,000 For Johnson

CAMPAIGN QUIET HERE

Approximately six thousand ballots have been printed for use in the election in Carlisle and Kentucky county next Tuesday.

In the rural precincts the voters will have but one ballot, while in the city of Carlisle precincts voters will have a ballot for the election of city officials as well as the regular election ballot. As the candidates for Mayor and members of the city council are unopposed, it is likely that little interest will be shown in the city race.

If interest taken in the campaign is an indication, there will be a light vote throughout the county next Tuesday. The campaign in the county has been one of the quietest ever seen here in a state election. Rodes K. Myers, scheduled to speak here Wednesday night, is the only Democrat to speak here during the campaign and no Republicans have spoken.

Counting of the ballots will start at 5 o'clock Tuesday afternoon and the count will probably be completed before midnight. The law requires that election officers continue the count until midnight, if necessary.

Democratic headquarters in Louisville is claiming a majority for Johnson and this reminder of the state ticket in excess of 100,000. Republican headquarters claim victory but have made no pre-election forecasts of the majority.

Winnie Ruth Judd Back In Arizona State Asylum

Winnie Ruth Judd, mad killer half starved and emotionally upset after six days of freedom from the Arizona state hospital for insane at Phoenix, burglarized a home on the institution's grounds Monday night to obtain food and was caught before she could feed.

Mrs. Judd, who killed her two friends in 1931, dismembered their bodies and shipped them in a trunk to Los Angeles, apparently had been hiding around Phoenix since she slipped out of the hospital six days before, said to be hysterical when captured.

The institution grounds was sentened to death for the slaying of her two women friends, but was sent to an insane asylum when she had been since confined in a prison where she was instituted after she escaped from the hospital.

Kilgore Believes Burley Should Bring Good Price

The drouth may have been damaging in many respects, but it was a big help to the Burley tobacco crop, J. L. Kendall, Louisville Weather Bureau official, declared, said, explaining that the dryness made the crop cure promptly with not any danger of evils which often accompanies dampness.

He said some farmers had complained the drouth made the leaf too cure too fast. However, he said that the result to the bulk of the crop was favorable. Curing being complete, the present damp weather is good for stripping. Mr. Kendall pointed out.

Ben Kilgore, executive secretary of the Kentucky Farm Bureau Federation, said the crop is a normal one and should bring a good price. He said the burley belt estimate of 354,000,000 pounds exceeds last year's disappearance, or consumption, by approximately 30,000,000 pounds, and would bring total available stocks of manufacturers in the area to more than 1,000,000,000 pounds.

Mr. Kilgore said stocks are piling up and that it is vitally important the 1940 crop be controlled if fair prices are to continue. He said his organization has asked the Secretary of Agriculture to call a referendum on burley control before the markets open early in December.

Woman Slain, Man Beaten By Bandits In Livingston

Two bandits invaded the home of Clem Davenport, 36, proprietor of a general store at Berea in Livingston county, at 1 a. m. Friday, clubbed to death Mrs. Davenport, 45, knocked Davenport unconscious and escaped with $180, two watches and a pistol.

Several children of Mrs. Davenport by a former marriage, one a 17-year-old boy, were not aware their mother had been murdered until their father regained consciousness two hours after the intruders fled. The children were asleep on the second floor.

Nov. 23 Designated As Thanksgiving Day

President Officially Proclaims The Fourth Thursday In Month As Day Of Thanksgiving

President Roosevelt Tuesday officially designated Thursday, Nov. 23, as a "day of general thanksgiving" and voiced gratitude for the nation "that in a world of turmoil we are at peace with all countries."

While the proclamation stressed hope for international peace, it may stir up a measure of domestic strife for the calendar—based on good many governors—say Thanksgiving is going to be Thursday, Nov. 30.

The President had announced in August that he was going to move Thanksgiving up a week. He said many business men wanted the date changed so there would be a longer time between the Thanksgiving and Christmas holidays.

"As a nation we are deeply grateful," said the President's proclamation, "that in a world of turmoil we are at peace with all countries, and we especially rejoice in the strengthening of our friendship with the other countries of the Western hemisphere.

"Let us, on the day set aside for this purpose, give thanks to the Ruler of the universe for the strength He has given us to continue to carry on our daily labors and for the blessings that are ours as of the coming of a day when the true and productive arts of peace shall reign on every continent."

Lawrenceburg Beats Carlisle 14 To 0

Musketeers Suffer Third Straight Loss In Final Game At Home Friday Afternoon

Lawrenceburg high school's football team, displaying power, margins in their last two tilts, brought the Carlisle high school Musketeers' string of victories to four in a decisive, 14 to 0 win at Lawrenceburg Friday afternoon.

The Bulldogs scored their two touchdowns in the first half, both on sustained drives of 65 yards down the field. The initial score came in the first quarter with Mountjoy taking the ball through the center of the Carlisle line. Houchins took a pass in the end zone for the second score.

In the second quarter the Bulldogs made their second touchdown. Again Houchins carried the ball across on a seven yard sweep of right end. Mountjoy ran end for the extra point.

The Musketeers threatened to score in the second half but were stopped on the Musketeers' eight-yard stripe. Carlisle was constantly threatened. Lawrenceburg made nine first downs to five for the Musketeers.

It was the Bulldogs' third conference win in five starts and Carlisle's third straight loss against two victories and a tie.

Substitutes: Carlisle—Goins, Sexton, Crabb.

The Musketeers will go to Winchester Friday night for their last game of the season. This will be the last game for five members of the team, four of whom are Seniors. These players are Bunton, Bowman, Conley, Maxey and Crawford.

Conley and Buntin were elected co-captains of the team for the 1939 season.

Two Kidnaped and Robbed, Another Robbed at Lexington

A man and woman were kidnaped, robbed of $12 and released by two unidentified men in Lexington early Sunday morning, while another highwayman held up a truck driver, snagged him and robbed him of $100.

Bernie Schmidt, Covington, and Miss Zola Sargent, of Lexington, were in an automobile on Main and Limestone street at 3 a. m. Sunday when another car forced them to the curb. Two men armed with pistols climbed into the automobile with the couple, forced them to drive out the Tate's Creek pike where they robbed the pair and forced them out of the car. Schmidt's car was found abandoned a short time later.

The other holdup victim was Edward Wihlelm, Lexington truck driver, who told police he was stopped and robbed of $100 as he was stepping into his truck in front of the Lexington Brewing Company plant.

Soviet Russia Chides U. S. For Aiding Finland

Premier Tells Tiny Nation It Must Come To Terms On Pact Immediately

ROOSEVELT IS SCORED

Premier Molotoff Tuesday chided President Roosevelt for lending Finland the "moral support" of the United States, in effect warned the Finns to come to terms, and told the world that Russia is drawing closer to Germany and Japan, once partners in the anti-comintern pact.

In an exhaustive report on Russia's new foreign policy, the Premier and Foreign Commissar told more than 1,100 deputies attending the extraordinary joint session of the Soviet congress that the United States' move to repeal the arms embargo was "openly aggravate and prolong the European war.

Soviet points in Molotoff's 85-minute speech:

1. Struck at President Roosevelt for "intervening" in Russia's negotiations with Finland "in spite of rejection of the United States' policy of neutrality."

2. Declared Russia was unable to understand Finland's refusal of s territories announced Friday by those which made the Baltic states of Estonia, Latvia and Lithuania virtual protectorates.

3. Denounced Great Britain and France for carrying on the war of Germany for the purpose, he said, of safeguarding their colonial possessions.

4. Said "There can be no question of restoring Poland" and that it was "absurd to continue the present war" for such a cause.

5. Asserted that German and Russian relations are being based on an increasingly-solid and friendly basis.

6. Announced trade negotiations would be opened with Japan and opened the door for a move by Tokyo toward stronger cooperation—possibly a non-aggression pact.

7. Gave no hint of any possible moves afoot in the Balkans but said Turkey, which refused a pact with Russia and signed one with Britain and France, was free to do as of the offer of cooperation to Japan.

Says Army Not Even Ready For Defense

Army officials were prepared-ness Friday, one expressing the not even ready for defense," and another declaring that the lack of "seasoned fighters."

Maj. Gen. H. H. Arnold, commander of the First Army and Carlisle's host here, told the National Guard Association convention at Baltimore that "recent lessons in modern warfare" would be lacking in almost every essential—air power, energy, courage and intelligence."

"We are not ready for a war," he said. "We are not even ready for defense."

He said efforts were being made to correct deficiencies disclosed at maneuvers.

Gen. George C. Marshall, chief of staff of the United States army, said this winter's concentration of the First Army would be "a practical war college."

Still Seized, Two Men Taken In County

Sam Wagoner And James Watson Enter Pleas Of Guilty After Arrests By Federal Agents

Five stills were seized and two men were arrested by Federal Alcohol Tax Unit members in the Blue Licks section of this county last Friday.

At Blue Licks they seized three stills, 100 gallons of mash and 15 gallons of whisky and arrested Sam (Plug) Wagoner. The stills, one of 500 gallons capacity, were found near the home of Wagoner.

About a mile and a half east of Blue Licks they seized two stills, 100 gallons of mash and a small quantity of whisky and arrested James Watson, 62.

Wagoner and Watson were arraigned before U. S. Commissioner Will Martin at Lexington last Friday afternoon and both pleaded guilty. They were held to the grand jury under bonds of $500 each.

Wagoner operates a liquor and beer dispensary at Blue Licks.

State Officers To Be Elected Tuesday

Buckingham Says $2,700,000 To Be Raised Will Save $33,000 A Year Interest

State Treasurer John E. Buckingham announced Friday the state would issue approximately $2,700,000 in warrants to meet the October and November school per cent payments and would pay off the $2,634,400 3 per cent and 4 per cent warrants.

Discussing the financial move, similar to those of last March, Buckingham said the state's debt would be reduced by $1,401,000 and would save approximately $33,000 interest in the coming years as well as "protecting the credit of the state by outstanding 1-2 per cent warrants.

"The new warrants are to bear 2 per cent interest up to January 1, 1941; 2 1-2 per cent from then until January 1, 1942, and 3 per cent thereafter.

The treasurer said this issuance would make it possible to pay now the October per capita totaling $1,267,359 and to pay the November per capita of $24,142.00 was in the 3st 5 per cent warrants, long called and coming no interest; the $2,634,400 in 3 per cent warrants, and the balance in last March's 1 1-2 per cent ones. The treasurer said $1,037,000 in warrants was retired in March's financing, thus reducing the state debt by $1,401,000.

Senate Passes Neutrality Bill By Safe Margin

Approval Given To Repeal Of Arms Embargo By Majority Of 63 To 30

HOUSE MAY ACT SOON

Voting overwhelmingly to repeal the arms embargo, the Senate Friday night approved the administration neutrality bill and sent it to the House, where proponents of the measure claim a small but safe majority.

The 63 to 30 vote for the measure was the climax of four weeks of debate in the Senate and a discussion which has raged up and down the nation as a whole since the war in Europe began.

The bill would permit the belligerents of Europe to buy American products of any kind, with the restriction that in general they must pay cash, must carry away no money here, and must provide foreign ships for transporting their purchases across the Atlantic.

Further, it is intended to insure the United States from the war by laying down conditions designed to prevent "incidents" likely to inflame public opinion or tending otherwise to drag this country into the conflict.

The key purpose it forbits American ships to sail for belligerent ports in the danger area or to enter "combat" zones to be substituted by the President, and prohibits American citizens to travel on belligerent ships.

Both of Kentucky's Senators voted for the bill.

The House did not have to start from scratch on the measure. It has been considering a neutrality bill containing a modified arms embargo. The Senate measure was sent to the House as a substitute for that bill, so the House procedure would be to consider it. A final vote on the measure in the House is expected by Friday of this week.

Brother And Sister On Way To Party Killed

Enroute to a Hallowe'en party Tuesday night, Charles Lee Frazier, 16, and his sister, Virginia Frazier, 13, were killed when their car struck a truck while they were walking along the Boonesboro road about five miles from Bardstown.

They were walking with three other children when the accident occurred. They were knocked down and injured slightly. Marion Somers, 14, negro, of Boston, driver of the truck, was arrested and taken to Bardstown, where he was lodged in jail on a manslaughter charge.

240 Added To Kentucky National Guard Past Month

The Kentucky National Guard, faced in the past with such emergencies as strikes, floods and tornado disorders, has increased approximately 240 men in the past month as a result of a new enlistment campaign, a limited National emergency proclaimed by President Roosevelt.

Allotted 413 recruits by the War Department after the President's proclamation, the guard's present strength is approximately 653 and its full quota under the allotment is 3,233 enlisted men and 233 officers.

Five Days Remain To Write Letter

Mercury To Give $5 For Best Letter Telling Value Of Community Page Advertising

Mercury readers have five more days in which to win an award of $5 for the best letter sent to us, telling the value of community page or cooperative advertising Carlisle business men.

The Mercury last year ran a series of cooperative advertisements, pointing out the advantages to Nicholas county citizens of patronizing their home merchants and keeping their dollars at home. Many readers have told us that this series of advertisements influenced them to do their trading in Carlisle.

We plan to run another series of these advertisements and want to know the reader reaction. In order to obtain this information we are offering a prize of $5 for the best letter, a year's subscription to The Mercury for the second best and six months subscription for the third best.

Anyone is eligible to win the award. The only rules governing the contest are that letters must not contain more than 250 words and must be in this office not later than 6 p. m. Monday, November 6. Send in your letter today and it may be the winning letter.

Eleven Local Students Attending U. Of Ky.

Final tabulation of registration figures for the fall semester of the school year at the University of Kentucky revealed that the enrollment of 5,700 students had exceeded by 186 the previous all-time record established in 1938.

Students may no longer enter classes for full credit this year, the official registration closed Monday, October 23, according to information from the office of the registrar.

In all but three of the 120 Kentucky counties are represented in the enrollment for the fall semester at the University, 37 of the 120 counties and outlying possessions are represented in the tabulation of students registered.

Among the students registered from Nicholas county are Miss Sarah W. Clay, Helen
