**THE OPERA-SINGER FAN**  
 Though it has never been reported out of state, I am told the opera singer fan has become so popular in this country that it is being manufactured here. It is made of a material which is not only strong but also is very durable. It is made in a factory in Kentucky, and it is sold in many parts of the country. It is a very useful article, and it is very popular among the people of this country. It is a very good article, and it is very popular among the people of this country. It is a very good article, and it is very popular among the people of this country.
