**OLD-FASHIONED HOMES**

In this article, and in the previous one, we have presented the old-fashioned homes, from the early days of the pioneer to the present. There are many of these old-fashioned homes in the West. They are of various styles and of various materials. Some are of brick, some of stone, some of wood. They are of various sizes and of various prices. Some are of the old-fashioned style, and some are of the modern style. They are of various styles and of various materials. Some are of brick, some of stone, some of wood. They are of various sizes and of various prices. Some are of the old-fashioned style, and some are of the modern style.
