Primary Election Saturday.

Cramping one of the quietest primary campaigns in Kentucky in a decade... The primary election is a decisive victory of the state will to the polls Saturday to select members of United States Senate and Representative in Congress from the nine districts in the state.

Hitler's Mistake.

It is a mistake to think that the shape of things in Europe a thousand years ago is to be devolved by this time in his favor... Adolf Hitler's mistake was to believe that the world was still in the hands of the gods.

In August.

August is a month of hope and activity... It is a month of hope and activity, a month of hope and activity, a month of hope and activity.

New System of Training.

It is a new system of training... It is a new system of training, a new system of training, a new system of training.

Striving For Ringers.

Some one said that August is not a month to be admired, either it makes level feet lary, and that the world performs less a fall later than in any month of the year.

Washington Merry-Go-Round

Washington, D. C. ROOSEVELT KEPT HIS POWER FACTS... CHICAGO—There was only one other person present when the president heard the first speech at the convention, nominating him for third term.

Important Election Coming Up.

The approaching election in which farmers participating in the Agricultural Conservation Program will elect their control boards is of utmost importance to every farmer... The most important of these elections will be that of the crop control program of the county for the next twelve months and upon their election depends the equitable distribution of quota for the coming year.

From now on the county control board has a thankless task and one in which it is impossible to please every participating farmer... That present and past boards have endeavored to be fair with everyone was not to be faulted. The boards have been composed of men of integrity and probably they have done as fair as possible in their actions.
