FOLKS, YOU REALLY

Electric REFRIGERATOR

Yet You Get Better Food Protection-More Ice Cubes In Less Time-Larger Storage Space—Dependable Ser vice In Hottest Weather

The standard family-size electric refriger made in 1940 cost about half the price of ten years ago, and they are more efficient, reliable and economical than ever before. They have an operating expense 33 to 66 per cent lower, but you can depend on them for proper chilling of fresh foods, plenty of ice and

frozen desserts even on blistering summer day Modern electric refrigerators cost less to buy

and will give you greater satisfaction, than any other type of mechanical refrigeration See our refrigerators tomorrow and lear
