December.

Traditionally, winter is the time for snow in northern latitudes, as spring is the time for rain.

War On Tuberculosis.
The average person—who has heard so often about the amazing progress of medicine and the remarkable success of the health of citizens in this country—will probably be surprised to learn that in thirteen of our states tuberculosis is still rampant.

Author Pays Call Short Visit.
For a few minutes last Thursday morning Carlisle was honored by the visit of a celebrity, although very few of our citizens were aware of the fact.

Christmas Trees.
Nature loves sometimes refer to the annual slaughter of Christmas trees, taking them down for them to be cut for the forests to supply the needs of the nation.

Pre-Holiday Religion.

One resolution should not be left until New Year's—that he should be as well as within our power, we shall make this holiday season one of our most successful and others.

Good government is being administered with efficiency and economy. Political expediency is still a factor in holding a state's policy.

A Frugal Governor.

Mr. Johnson is fulfilling his duty as a frugal governor. He is not spending money as he did when he was in the office of the governor.

Washington Merry-Go-Round.

What makes a man famous? It is not his wealth, but his deeds. The name of a man is made famous by his actions.

From Other Editorial Pages.

Give Men Credit a Fair Chance.
(Courtesy-Journal)
The chamber of commerce has a right to be heard in the selection of a man for a position.

On Being Old.

As the years pass, we grow older. But old age is not a curse, it is a blessing. It is a time of wisdom and experience.

Consentive Objects.

The consentive objects are those things that are in harmony with the laws of nature. They are the things that bring us joy and peace.

Pharmacian Is Vital To Newspaper.

The pharmacist is a vital part of our society. He is the one who brings us the medicines that we need to stay healthy.

MERRY-GO-ROUND.

The merry-go-round is a symbol of the cycle of life. It is a reminder that we are all part of a larger whole.
