A copy of the completed plan
for each farm, giving the farmer
a clear picture of the program.

Money Talks
Frederick W. Stamm, Economist
and Director of Adult Education
University of Louisville
Unemployment, relief and new
governmental activities have grown
by increased the cost of govern-
ment. We all recognize that the
most acute of these is the fact
that the government is becoming
more and more a part of our life.
These new services are made
possible by the increased ex-
penditures of the federal govern-
ment. We all recognize that the
most acute of these is the fact
that the government is becoming
more and more a part of our life.
These new services are made
