65,000 Kentucky Families Get Surplus Commodities

Kentucky was among the first states to receive the surplus commodities of the Federal Government. The Federal Government has now made available to the people of this state a large quantity of surplus commodities. These commodities include such items as flour, sugar, and other foodstuffs. The distribution of these commodities is being carried out by the Federal Government through the Federal Surplus Administration.

Republicans of Nicholas county are called to meet at the county convention on the 15th day of March. The convention will be held at the courthouse in Nicholas county. The purpose of the convention is to elect delegates to the state convention.

Laurel County Farm Youth Charged With Extortion

George D. Scott, chairman of the Laurel County Farm Youth League, has charged with extortion. The charges are based on the fact that Scott is alleged to have extorted money from several farmers in the county.

Deficit For Fiscal Year

The fiscal year for the county has ended with a deficit. The deficit is the result of the increase in the cost of government services and the decrease in the amount of tax revenue. The deficit is estimated to be \$100,000.

WILSON

W. L. Wilson, chairman of the county board of health, has announced that the board has decided to take certain steps to prevent the spread of disease. These steps include the vaccination of children and the disinfection of public places.

7,000 State Employees Affected By Pending Bill

A bill pending in the state legislature would affect the pay of 7,000 state employees. The bill would increase the pay of these employees by 10 percent. The bill is expected to pass in the near future.

State Farmers' Income From Payments Small

The income of state farmers from payments made by the federal government is small. This is due to the fact that the federal government has not made as many payments to farmers as it has in the past. The income of state farmers is estimated to be only a few million dollars.

LEOPARDS

Leopards are being raised in a small farm in the mountains of Kentucky. The leopards are being raised for the purpose of being used in the film industry. The farm is located in the mountains of Kentucky and is owned by a man who has been raising leopards for many years.
