## Attention, Farmers

The price of hogs has advanced 50 per cent. It is important that you produce as much pork as possible while prices remain good. Corn is high.

Feed Ballard's Insurance Hog Feed and make money. One sack of Insurance Feed will produce as much pork as a barrel of corn, and the price is about half as much.

We have a fresh supply of Ballard's Turkey Starter. Start your flock off right and have big, healthy turkeys this fall.
