IS YOUR HOME SAFE?

If Fire Comes, Property Values Are Destroyed, Human

Lives Endangered HOMAL FIRE PREVENTION WEEK, OCT.

6-12, POINTS THE WAY TO HOME SAFETY

Sparks on Foor come second as the classe we are in turn homes.

If the second property of the second property of the second property of the second property of the will not home.

Where shingle roof is not replaced, protect with a park arrester on the type of each chainsey.

To reduce the spark hazard where soft coal or wood are used, clean the soot from channey at least once each year

Casoline and Keroseno cause many fires as well
as loss of life on farms.

Do not use either of them to start or quicken fires.

This practive has proved fatal in hundreds of cases.

Do not fill the reservine of stove, lamps, or lantern
by artificial light, but by daylight or electric flashlight.

to administration, but by obsquare or contror mane-fractions are similar product, if any in tenting on the farm, should be confined to small building of the farm, should be confined to a small building of the farm of the confined to a small confined to the farm of the confined to a late of the confined may be days in dwelling if in a high or softly on free from banks and if a confined to a late from one rear.
