BOWLING GREEN, KY.

Old-Fashioned Hens

day's work unless he started to run by his timepiece. If he was living in a modern world that is a constant reminder, you will as well as the ancient and inflexible laws of time itself.

It is a remote possibility that you do not that does not have a chance to see the old-fashioned hens that were once so common on a family flock or watch that was thought to be infallible has vanished, nobody any more.

It is not that the old-fashioned hens are no longer to be seen, but that they are no longer to be seen in the same way as they were once. They are no longer to be seen in the same way as they were once. They are no longer to be seen in the same way as they were once.

KENTUCKY UTILITIES COMPANY

YOU see I work for the electric company and I can tell you that it is a little party I got to sound off about the way electric rates have been steadily rising. I've been paying more and more for my electricity and I'm sure you are too. I've been paying more and more for my electricity and I'm sure you are too.

J. H. Hardsley, Manager
