An Open Letter to Carlisle Citizens.

The Mercury suggested last week that the streets of Carlisle needed a thorough sweeping job. Unhappily, however, the present of several citizens to the effect that there was no such thing as dirt within the city limits...

There are signs to believe in. The streets of Carlisle need a thorough sweeping job. Unhappily, however, the present of several citizens to the effect that there was no such thing as dirt within the city limits...

Keeping the streets clean after sweeping is important. It would be necessary thereafter to have someone placed at proper intervals on Main Street into which people could be thrown...

As far as sweeping the streets is concerned, that part of the program could be carried out by the printers at the local job. The carrying of pushing a broom on Main Street once or twice a month would be of great benefit...

It is really a very little job but one that will make a great improvement in the appearance of the city.

Easter's Miracle. Easter is a festival that confirms the faith of men in a better tomorrow and a goal and purpose beyond the pain and labors of the present...

Spring In The Country. Spring in the country means little lambs, smiling waddly in the soiled, short-leaved coats...

When Birds Appear. While other men were protesting their protest against the State's new school law, Mr. Henderson still sought to help for his plan...

Paraph. The boys have trained 50,000 pilots. Now it is up to the United States to provide them with something to fly.

Health of the British people is reported to be improving. The Germans find them to be downright vigorous.

Many more than nineteen century's ago there were those who doubted beside an eye and a hand were told, 'He is not here, he is here,' He is here.
