Some people are lacking in imagination... They are just not used to it. They are not used to the idea of a different technique from the old driving because of the difference in the conditions of the roads.

Wandering Thoughts of An Editor. He is a comfortable feeling to go back to the old days when the automobile was a pleasure.

Man has come too far from that simplicity... He has lost the simplicity of the early days of the automobile.

Man has changed his sense of beauty from the simple to the complex... He has lost the sense of beauty that was once his.
