TO MY FRIENDS OF NICHOLAS COUNTY:

Even though I was not the successful candidate for the office of County Judge of Nicholas County I want to take this opportunity to thank my friends for their support.

That asked you to give me one more opportunity to serve you but the votes cast have shown that this was not the will of the people of Nicholas County, I am willing to abide by your decision and to offer to the successful candidate, Mr. Shepherd, my whole-hearted support during his term of office.

I want also to take this opporantly to thank those of you who supported me when I was the successful candidate for Sheriff and twice your County Judge.

I remain sincerely your friend.
