Dispelling The Fog

By William Nicholson Director of Public Relations National Committee

In every crisis that confronts our country, there have been two points of view. One is the narrow, shortsighted view in which the rule of the major party is carried through. The other is the broader view which sees the opportunity in the crisis as an opportunity for a new and better way of living.

Rehabilitation Program Benefits For Rejected Men

A Government-financed voluntary program of rehabilitation for rejected men was announced today by the Department of Veterans Affairs. The program is designed to help these men in their own homes by providing them with the necessary tools and materials to make their own living.

Dispersing The Fog

The fog of misunderstanding and confusion is being dispelled by the clear, bright light of truth. We must see the crisis in its true perspective and act accordingly.
