COMPLIMENTS OF THE SEASON It may be truly said that the simple record of these short years of life has done more to regenerate man than all the dissertations of philosophers and exhortations of moralists—Lucky

How true the words of historian-philosopher Lecky! And now, on the eve of another Christmas, we wish again for you and yours the radiant joy, the deep inner peace which is so inseparably interwoven into the Christmas pattern, and which, passed, for the individual, even in a world at war.

Accept our sincere thanks for your generous past, which we receive with gladness to be well worthy of your friendship. CARLISLE MILL & SUPPLY CO.
