A New Deal For Unfortunates.

The attention of Dr. M. L. Lyon as director of hospital and mental hygiene on the State of Kentucky will meet with the approval of all Kentuckians interested in the welfare of our unfortunates.

Following the resignation of Dr. William Williams as a recommendation, those names were considered by the State Board of Mental Hygiene.

After his graduation from the University of Louisville, Dr. Lyon practiced his profession in Illinois county for 14 years.

As superintendent of the Peoria Middle Institute, took six months special work in public health work at the University of Chicago, served two years as county health officer in Lawrence county and two years as superintendent of the state hospital at Hopkinsville.

Dr. Lyon has returned to Louisville, Ky. He has no political interference in the operation of the hospital, and The Mercury believes that the operation of the institutions during his administration will be an efficient, humane and competent basis.

Nicholas County Men Patriotic.

That only one young man from Nicholas county will be called in the first quota of 250 men for the patriotism of Nicholas county youth.

Men in various departments of knowledge will be called from the county in the national defense program to a similar contribution.

Gets An Extra Spin.

How many times does the earth spin in one year? It is not the number of days that makes a year, but the number of revolutions of the earth on its axis.

The number of revolutions of the earth on its axis is 365.25 times in one year. The extra 0.25 represents a quarter of a revolution.

But, as a matter of fact, the number of revolutions of the earth per year is actually 365.25 times.

WASHINGTON, Jan. 8.—The merry-go-round of public opinion is swinging in a new direction today. It is the direction of the 1941 campaign.

For years past, the merry-go-round has been revolving around the same old, same old issues. But now, a new direction is being taken.

The new direction is being taken by the people. They are tired of the same old, same old issues.

The people are tired of the same old, same old issues. They want a new direction.
