

THE HEARTY FAMILY EATS ICE CREAM ALL SUMMER LONG

That's why they're so full of pep in the hottest weather. Sealed Ice Cream not only cools you off—it builds up new energy to replace the vitamins that summer heat tears down. And it's good—order a quart today.

MONEY TALKS
By Frederick W. Stumm, Room Editor and Director of Public Affairs

The Blitzkrieg Moves Over Soviet Politics
(Courier-Journal)

Germany's war machine is demonstrating, or so it appears through the medium of the Hitlerite press, that it is capable of striking at will over a wide area of the Soviet Union.
