CAN 47 STATES BE WRONG

WHEN the fond mother exclaimed: "They're all out of step but Jim!" she didn't realize that her lug-

feeted by an appling the which proads.

And, an appeal to 3,000,000 encode of Kestschy deal roads that the Satel's abundly right regulation of the motor back industry in "genning on" the parade of national defense. The Kestschy law limit the gross weight of any freight hanging track to 18,000 pound—freek and load combined. This restriction makes our Sate a serious bestime each in temperaturion of with a war one of the sate of the sate

the State and to military cantoments such as Fort Most.

No other State has a load limit of lest than 10,000 pounds gross weight, and the 127,000,000 people of this country who live outside of Knetudy enjoy better service, more business, higher tax revenue from the trucking industry and—last, but not least—a saving on everything they eat, they wear, they use.
