

YES!

I AM VOTING FOR THE SEWAGE SYSTEM

THESE ARE MY REASONS

- I Realize The Drastic NEED For A Sanitary Sewage System--For Health And Happiness.
I Know That The Life Of Any Child--MY CHILD--Is Worth The Debt to be Incurred.
Our Present System May be CONDEMNED. I Want To Build A Sewer While We Can Secure Financial Aid.
The U. S. Government Is Eager To Help Us With WPA Aid. I want to take Advantage Of This Offer.

- My Future Is Here. My SON'S Future Is Here. I Want The Town To PROSPER For Him. A Sewer Is The First Step Toward Industries.
I Want To Build A Sewer While We Can Secure Financial Aid.
My Community Will Benefit By The Use Of LOCAL Labor.
