Dupling The Fog

It is a common knowledge that the fog of the past few days has been a most unusual one. It is not only a fog of the atmosphere, but a fog of the mind. It is a fog that has been dupling the fog of the past.

The fog of the past was a fog of the mind. It was a fog that had been dupling the fog of the past. It was a fog that had been dupling the fog of the past.

KENTUCKY FARM NEWS

Mack Hagan, Trigg county, says he has been successful in raising \$3,000 from his flock of 100 ewes. This figure includes only the advance he received on the wool.

F. H. Howard of Harlan county reports that the sheep on his farm have been through the use of lamb and phosphorus pasture treatments and cover crops. County Agent H. Williams says the fertility has been increased to 40 per cent.

Woodford county farmers who have visited a good crop of hemp. Old time hemp was raised in this county for several days at a time. Grasshoppers cut the tops of plants in many fields, according to County Agent Wm. Carter.

County Agent Howard reports that the sheep on his farm have been through the use of lamb and phosphorus pasture treatments and cover crops. County Agent H. Williams says the fertility has been increased to 40 per cent.

Dove Season Opens

The open season on mourning doves has been observed for Kentucky hunters beginning September 30 and closing October 25, according to an order issued by the Game and Inland Fisheries Department.

The dove season opens on September 30 and closes on October 25. The season is open to all hunters who are licensed and who are at least 16 years of age.

The Game and Inland Fisheries Department has issued an order that the mourning dove season in Kentucky shall begin on September 30 and close on October 25.
