Coal Buyers

HYBRID SEED CORN

It won't be long until corn planting time, and if you haven't bought your Hybrid Seed Corn we would advise that you buy as soon as you can.

There is such a demand for Hybrid that the kind you want to plant is becoming very scarce and we doubt if there will be any of it available in a few weeks.

We still have a fair supply of the adapted types—U. S. 15, Funk's G. 90 Yellows, and 63 B Whites.
