THURSDAY, APRIL 9, 1942

The Change Is Made.

It is to Bourton and Nicholas in the 47th legislative district... The House district picture has changed in that Nicholas is now in the 47th district...

This will not suit some people. Already we have heard rumors that "Nicholas will never have another representative."

That we must remember that the Constitution of Kentucky calls for equal representation... The average legislative population, based on the 1930 census...

Forefront.
The 47th Production Board has acted with infinite wisdom in the matter of such...

we have never believed that a lot of sins which it "killed" about the service held here on Good Friday...

Contributions to the Carlisle students who so ably represented the school in the regional music contests...

The Good Friday Service.

There was something so fine about the service held here on Good Friday that the spirit of the assembly defied the adjacency of words...

Random Thoughts"

Editors Note: For several years readers throughout the State have asked for reports of the things which have happened in the church...

Singin' In The Rain.
Through the steady rain of the April morning, the sun shone brightly...

When were men and women who make up a whole community who had just done the tasks to gather for one another...

Washington Merry-Go-Round

After three months of tempering and cooling, the House and Senate have passed the National Labor Relations Act...

Nicholas Agains Shows Her Heart.

Because Nicholas is a big hearted country, the Eastern session was made "brighter" this year...
