

WITH THE COUNTY AGENT

It is now the time of the year when many of our better farmers are likely to seed alfalfa. There are considerable variations in alfalfa seed prices, especially depending on the nature of the spring...

Most any of the alfalfa seed in this county is fairly well adapted to alfalfa except where the soil is very heavy...

Given fairly good soil there are four factors essential in securing a good stand of alfalfa...

It is of equal quality seed such as alfalfa seed, alfalfa seed, alfalfa seed...
