ARMOUR'S **FERTILIZERS** FOR PLANT BED AND FIELD

While a supply of full-strength fertilizer is available, we would advise purchase of your spring require-

Armour is a big concern and were well prepared to make their goods up to standard for the early spring trade.

Again we say: Buy your Armour's fertilizer now.

FIELD SEEDS OF ALL KINDS

ADAPTED TO THIS REGION We are not alarmists, but we do know that the man who buys his seed while good quality is available will be in better position than those who wait. Some seeds are very scarce and will not be available later. This is especially true of Hybrid Seed Corn. Alfalfa and Lespedeza.

There's a bit of Scot in all of us!

Yes, sir, if it's a Scotch trait to want to get your full money's worth for every dollar you spend we're all in that class.

We try to buy shrewdly and thriftly so that you can get the best values possible. It's been hard going this season—but we've done it.

We can offer a selection of Griffon suits-all wool, every one of them-that beat the market. Come in and see 'em.
