What Do You Know About Beer?

As—State taxes and license fees paid by Kentucky's legal brewing industry...

What Happens To Beer Tax Money?

Revenue from beer in 1941 was used for education in public schools, colleges, normal schools, etc.

What would happen if this revenue from beer were not available to the State?

Kentuckians would have to dig down deeper into their own pockets to provide the money.

You Can Help Preserve these benefits from legal beer in two ways—(1) Buy your beer only in wholesale...
