views at the Chicago meeting."

We Democrats are delighted, of course, that the minority representatives in and out of Congress have finally awakened to the turgent necessity of dealing with this problem, even though instead of stealing a march, they are just failing in line for a parade that has been marching for many weeks.

"An Editor's Random Thoughts"

Goin' To The Fair!

Going to the Fair tomorrow! There was the thrill of "circus day" in those magic words back in the days of surreys and rock-aways, leisure and linen dusters. And in-deed Fairs were affairs of note in those days and one arose bettines, the old family

a shown to your 1202 mode of the side-show are hardened to the married of magic from the married of the ma

partners field with the wound of tree.
