Faithful Service

A BUNDANT GRATITUDE is due to our soldiers who leave all and go to defend country, home, freedom, Christianity. In the battlefield where, they stand ready to give the "full measure of devotion" for a right ideal.

The Apostle Paul was a great soldier who gave his earthly all for the cause of Christ. In his second epistle to Timothy he said (2:3, 4): "Endure hardness, as a good soldier of Jesus Christ. No man that warreth entangleth himself with the affairs of this life; that he may please him who hath chosen him to be a soldier." Now, as always, each one is chosen to be a soldier of Christ, to win the battle for freedom and peace for himself and for all mankind.

Mary Baker Eddy, the Discoverer and Founder of Christian Science, in a message to The Mother Church in 1898, wrote as follows (Christian Science versus Pantheism, p. 141): "If your peaceful homes remember our brave soldiers, whether in camp or in battle. Oh, may their love of country, and their faithful service thereof, be unto them life-preservers! May the divine Love succor and protect them." Truly these words inspire the grateful heart to uphold with justice, good works, and humble, consecrated prayer, our brave soldiers, whether in camp or in battle."

In these perilous times shall we each one answer the call and obey the demands of our great Master, who has said: (John 8:31, 32), "if ye continue in my word . . . ye shall know the truth, and the truth shall make you free"? Loving in his word, we escape the entanglements of sin, mortality, and intemperate haste, which would weaken us as good soldiers of Truth.

The battle for freedom is being waged primarily in individual thought. Every thought of evil, its suggestions and material beliefs which destroy our peace and progress are put to flight and made void by spiritual ideas which reveal God as supreme, loving, infinite Mind. These ideas are intelligent, loving, pure, and complete. They reflect the permanence and power of eternal good; they are the host of angels that guide, protect, and comfort.

A young soldier who was talking with a friend said he was not afraid of battle, whether on land, in the air, on the sea, or under the sea; but he was troubled by the thought of the temptations and indecencies to do wrong which present themselves. . . .

As children of the one Father-Mother God, all men possess unalterable spiritual independence and poise. These divinely mental states cannot be taken, subdued, or obscured. They include neither self-righteousness nor condemnation, but they do include the spirit of intolerance, personal dominion, arrogance, and ridicule, revealing the perfect man. Those who perform their duties as men in their spiritual independence often experience a return expressions of good fellowship, broth erly love, and appreciation of qualities of character that are spiritual and substantial.

A true follower of Christ, Truth, is law-abiding. He follows the course that, from a human standpoint, is nearest right; that will bring the greatest good to the greatest number. And right ideas are embodied in strength and freedom.

When the commandments of Jesus are here and now obeyed, then will there be peace on earth, and will can obey command such as these (Matthew 7:12): "Whatsoever ye would that men should do to you, do ye even so to them," and (John 15:12), "This is my commandment, That ye love one another, as I have loved you."

What You Buy With
WAR BONDS
The Defense gun is a dual signal weapon . . . by the Artillery as a deadly gun. It has been replaced to some extent by the more modern 75 mm gun as the heavy art of divisional weapons. The 75 mm gun costs $12,000 and has been converted by the Ordnance into a "blaster" twice as efficient as in the first World War.
This gun gets maximum power for minimum weight and cost, and the Ordnance people are grateful to finance through the purchase of War Bonds. If you do your share and invest 10 per cent of your income in War Bonds, adequate supply of this efficient gun can be assured our fighting forces. Buy War Bonds every pay day.
