SHIRTCRAFT Smart New STYLES

THE SHIRTS THAT GIVE YOU THE LOOK FOR YOUR MONEY

Quality work done the ordinary, for the man who is particular about his shirts. Compare them point by point - look at the rich fabrics, the authentic stitching, the careful needlework. The collar sets perfectly on the neck... stays neat all day... has a permanent fold line that resists fraying. The shirt fits smoothly... the buttons don't come off.

The result is a value as remarkable as the shirts are fine. Come in and see the smart new arrivals.
