TUXEDO BIG 40
Fed in connection with your grain will pay a big profit on every bag and at the same time reduce the amount of grain necessary to produce a hundred pounds of pork.
HERE'S HOW IT WORKS
Numerous tests have shown that 5½ bushels of shelled corn and 40 pounds of Tuxedo Big 40—total cost around seven dollars—will produce results equal to 12 bushels of corn alone.
This is worth thinking about when throwing out those extra dollars feeding corn alone.

SOCIAL and SOCIETY

EGGPLANTS

There's nothing glossier than an eggplant
Hiding among its broad
Shadowy leaves,
On its tough stem.

All night long
Dew collects on its satiny skin
To make it finer and smoother.

But when it's day
And the dandelions
Are basking in the sun,
The eggplant only sulks by itself,
Or glowers from under its
handsome leaves
At the greeny fields.
—Philip Rossetor

Junior Red Cross Reports

A report on its patriotic activities was given this week by the Nicholas county Junior Red Cross, boasting 1,487 members in ten schools.

The organization reported that it had collected and sent to the Fort Knox library 100 books for the entertainment of soldiers stationed there. In addition, there have been made and consigned seven lap robes, 13 lap boards, 42 hot water bags, ten scrap books and 28 puzzle books, all of which were sent to Bowman field.

Cross by students in the Parks school.

Members have bought defense stamps and bonds consistently, and have cooperated in the collection of scrap in the salvage drives.
