Hard Truth Driven Home.

Wars that are not won with brave words and stirring banners... We are not won with production. Wars are won through the sweat and blood of the men and women of the industry and of all people.

The Sex Cedes.

The entire world of men and women... The sex cedes to the man. The man is the head of the household and the woman is the heart.

Living The Hard Way.

You can't make money these days just by running a restaurant and a garage... The hard way is the only way to succeed in these times.

The Small Bank.

James Trotter Adams, the distinguished banker... The small bank is the backbone of the community.

"An Editor's Random Thoughts"

Editor's Note: For several years readers have known that I am a writer... I have written many articles and have been published in various newspapers.

March.

The dry days are litted from the grass... The month of March is a time of hope and renewal.

Hard Truth Driven Home.

Wars that are not won with brave words and stirring banners... We are not won with production. Wars are won through the sweat and blood of the men and women of the industry and of all people.

Jim eats breakfast at the SLIPPER table now!

God blesses man-made this power and energy now in operation ready to meet new needs with new economy.

Our own electrical generating and transmission system is supplying more than 50% of the nation's electric power and is helping make abundant use of materials used in the defense of this country.

Continuous production, 24 hours a day, makes tremendous demand on power and on electric energy.
