APOLOGIES TO Abraham Lincoln

Under Lincoln's picture the "Wets" quoted something Lincoln never said. We got out our "Lives of Lincoln" and books of quotations, we traced it down—the Clerks of the House of Representatives of the State of Illinois where the "Wets" claim Lincoln said what they quoted, has certified that the statement is not on record, and the clerk further states that search was made of the State Historical Society and they reported it could not be found anywhere. The "Wets" invented it and they owe Lincoln an apology.

This week they are claiming our county will lose $65,000 if we vote dry . . . another "Wet" invention. You will lose less than 3c—but you may save a life. They call for regulation of a vicious evil . . . we say kill it.

The "Wets" who sign themselves "tax-payers" in their big ads—are evading the real issue. They won't talk to you about the 20,000 killed last year by drunken drivers. They yelled "Hitler" when Dr. Bromley drove 17 miles from Cynthiana—they cried "wasted tires and gas," forgetting that we all know beer and whiskey trucks drive all the way from Covington and Louisville hauling the stuff—**using good tires and gas.** Breweries get tires, sugar and gas while we do without.

The "Wets" do a lot of flag-waving—but ask them about the 350 saloons at **Pearl Harbor** (55% of them operated by the Japanese). The Japs gave away liquor to our boys before Pearl Harbor. It must make Hitler and Hirohito happy to know America allows her soldiers to drink beer and whiskey. While Brewers and Distillers get rich.

Mr. Tax-payer, we are sick of the **bunk** the Wets are putting out. Let's face the facts. If you vote for liquor and your daughter comes home drunk and your son gets shot at a roadhouse don't blame anybody but yourself.

Don't be a sucker for the whiskey people. The only reason they are interested in the election is they love the **Almighty Dollar,** and are in this business for themselves and no one else.

Vote wet and stuff money in ONE or two fat pockets. They get the money, you get the grief.

Seven Counties—Hart, Hardin, La Rue, Knott, Ballard, Hopkins and Henry—have voted "Dry" in the last two weeks. Kentuckians are sick of beer-joints, roadhouses and crime connected with liquor.

LET'S PUT NICHOLAS COUNTY DRY.

YOU DRY PEOPLE, HELP GET THE VOTE OUT THIS SATURDAY, OCTOBER 3
