

THE GARDEN

By John R. Gardner, Kentucky College of Agriculture and Mechanical Arts

The Year's Inventory II

Cabbages—As in other years, some gardeners had the cabbage fallure, but the cause was not the old ones, but the disease Black Rot and yellow.

THE FARMER'S PAGE FOR THE FARMER

topressed with manure just before breaking. It is not so many and so sound that no gardener who is not interested in his garden will be interested in his garden.

Plant Trees This Fall

Kentucky needs at least 500,000 trees planted this fall. The trees to be planted are the ones that are the most useful and the most beautiful.

List Ways to Keep Livestock Healthy

1. Keep animals healthy by providing them with clean water and clean food. 2. Feed them enough of the proper food and supply plenty of clean water and common salt.

Shearing Lambs Need Good Finish

Lambs which have been sheared in the past few weeks are taking part in the Kentucky State Fair. The fair is the best time to show the quality of the lambs.
