Businessmen—Let's talk about

death! Let's not dodge the issue

—let's face facts. A lot of good

American fighting men may soon

have to die for want of scrap!

IF YOU FAIL SOME BOY WILL DIE!

WERE talking facts, remember! Such as the fact that steel for every tank, ship, and gun must be made of scrap...

Which puts it up to you! Monday starts the big scrap metal drive. And you, as a businessman, have a double job to do. Clean out your home—and scour your place

of business, factory, office or store... for every single bit of scrap. And when you see the stockpile grow—for the mills to take when it's needed—be glad that you've done your part... that your work may have saved some boy from a needless death!
