WARNING!

Dues for conditions, the supply of clothes hangs has gotten critical in Carlisle. It is impossible to buy any new hangars as we used to help them. So we are asking you, our customers, to help us cover the lumps. When you bring us a suit, or a dress, or some garment that can be returned on a hanger, bring a hanger with the garment. And if you have any hangers not being used about your house, we'd be mighty glad to get them. Thanks for your co-operation.

Sure, You Can Help Them! Buy War Bonds Now! How can you help our boys who are fighting the Nazi-Jap barbers and dying on falling battle fronts to protect the American Way of life and that we hold precious? Right now, the most effective help you can give is to buy War Bonds. It hurts... so that our army and navy and air forces can have all the arms and equipment they need to win victory and restore peace and decency to the world.

YOU SAVE AS YOU HELP! Buying War Bonds helps you to save, too. For each \$10.00 you invest in a bond you get back \$25 in maturity. And every time you buy a bond you give Hitler and Tojo a kick on the snout. So snout 'em down, boys. They asked for \$111
