NEWS ABOUT OUR BOYS In The Service

THE BOYS ON FURLOUGH

All up and down and out and back, they go.

On Tuesday leave, two weeks, or sometimes more.

Their sun-flushed faces and their manners

They've learned how grim a business is war

But now a brief respite comes in there schools

And off those expert for home on bus and train

Fling all of stand and talk of Army rules.

From overseas Texas all the way to Maine

These soldier boys are not for soldiers, recruit

Patience and a smile stand us many a face.

And yet a grey error that must be fought

Wherever strong, that we shall be fearless

Hardened young men
