BIBLE THOUGHT THIS WEEK

If there be some weaker one,
Give strength to help him on.
If a blunder soul there be
Let me guide him nearer Thee.
—Whittier

THE RIGHT MOVE

The business interests of Carlisle have taken the right step in perfecting the organization of a service club of outstanding reputation. The Mercury has been urging such a move since the present club was dissolved for duties of publishing this paper last June 4.

It is practically assured that **there will be twenty-five or more charter members** to sign up by night (Thursday) when the final organization meeting will be held at the court house, to complete the organization of a Rotary club for Carlisle.

There is much work for such a club here and while there may be some difference of opinion as to details except the case in all communities regarding the class preferable — Rotarian, Lions, Kiwanis or other — the greater part of the citizenship of those interested were well informed on the purposes of the group in any reasonably well organization that would get results and the public is tired of only half-hearted organizations of its kind.

Many details are to be worked out including time and place of meeting, election of officers, appointment of committees that will be active and ambitious in a program that will be effective.

The Mercury pass solicitously by and is ready to serve and will give its influence and assistance when we can be of any help.

166 SIGNERS NEEDED

Up to last reports of committees soliciting signers for the Carlisle Frozen Food Locker it was stated that one hundred more signers are required by the Government to install the locker here, in December 21 and should the required number not be signed up by that time the project will be lost.

Signers are required to deposit checks at the First National Bank which checks will be cashed only should the required number be secured in the allotted time.

The farmers of Nicholas county will find this frozen locker to be of great value and profit to them and they are urgently requested to sign up immediately for a locker.

Carlisle and Nicholas county can not afford to let this opportunity pass to secure a plan that will mean a great saving in food, a money-maker for each signer and an important aid to healthful nutritious food. Sign up now.

HEMP CROP OUT FOR 1944

Inasmuch as the import of hemp has greatly increased in the past months, the War Food Administration has determined that usage of average ordinarily planted in hemp would be of greater value if planted in food and feed crops.

Carlisle Baptists Set Sunday for Victory Day to Pay the Balance of Their Debt

Just four years ago this January 14 the Decoration Service was held dedicating the newly remodeled Church Building and Annex to the Lord's service. Some seven years ago the Church Building Fund was started. Through the years it began to dream of a more beautiful and worshipful Church. The dream was realized. Due to the prayerful efforts of Rev. Jas. R. Thompson, Pastor, and Mr. Rufus Knight was appointed Chairman of the building Committee. Mr. S. W. Willett, Mrs. Lee Mrs. H. Letton, Mrs. T. E. Wyatt, Mrs. Ben Stapp, Mrs. G. T. Cowan, Mr. Sterling Blake and the Pastor have been serving on the committee. See Annex Page 8

Mary Hart deceased. Three years ago the debt had been cut to $3,000. It now stands at $960 and the Church is expecting to pay off in February, 1944. A Home Coming Day and Roll Call is planned at that time.

In the past year the Church has received five new members, 20 by baptism. Three new deacons have been ordained, Bro. Frank Bullard, Bro. Sterling Blake and Bro. Ben Stapp. Bro. Bullard is now in the Navy and Bro. Blake is now in the Service of our Country. The above picture was made in the day of activity of the building program. Bro. Blake is pictured first left in February, 1944. A Home Coming Day and Roll Call is planned at that time.

ARE YOU UP TO DATE?

It is not desirable that notices be sent to subscribers whose subscriptions are expiring, suggesting or requesting renewal, but subscribers are notified that their subscriptions will be discontinued when they expire unless renewed in the meantime.

It is also not desirable to call special attention to all subscribers whose subscription expires in December or prior to December. It is not difficult to know when your subscription expires. Most subscriptions usually know that without looking, but a glance at the label on your paper or wrapper will give this information.

On January 1, 1944, ALL NAMES on The Mercury list whose subscriptions are not paid in advance will be dropped. Don't let your name be dropped. Don't let your subscription lapse. Don't let unless renewed in the meantime. Under Government ruling it is not permissible to continue to send papers to subscribers who are in arrears, as well as to conserve waste, this ruling is necessary.

If your subscription is not up to date it is hoped you will bring it up to date without delay. Do it now.

Three Minute Sermon

CHRISTMAS
Marvin P. McClure

Love came down at Christmas.
Love all lovely, Love Divine.

Love was born at Christmas.
Star and angels gave the sign.

The anticipation of Christmas grips us. Friends and gifts are in the offing. Christmas trees and festive finds resurrection. How much shall I pay for whom. Mind and what to give whom? Then comes the exchange for love that fit and colors that matter. Who has his it been since you asked your-self what it is all about? Or have we stopped to consider the significance of the occasion.

Christmas is the celebration of the birthday of Jesus Christ. Imagine your friends celebrating your birthday without a word of love and failing to invite you. Yet we are celebrating the birthday of Jesus the world that is exactly we leave Him out of our thoughts. We could say that Christmas Christ-centered instead of a mere exchange of gifts.

The birth of Jesus Christ was God's love gift to the world. God so loved the world that He gave. It is one thing to give a gift. It is another thing to wrap that gift with love in addition to the holly paper and tinsel. Let us love as we give. On Jesus' birthday it is said, "As I have loved you, so love ye one another." Christmas without love is barren.

The first Christmas was saturated with love—God's love. It was a revelation of God's love for us. He "so loved—that he gave" in hope that we might so love." The whole occasion was that we love Christ spent His life that we might understand love. He revealed love at its highest. He demonstrated the highest love reaching down into the depths of hatred and bringing that which was dead unto life. Love is of God.

Since Christmas was intended to be a time of love, let us get all hatred, envy, jeal-ousy, ill-will, and bitterness out of our hearts and determine that we shall put the Spirit of Christ into the celebration of His birthday. Let us make this Christmas Christ-centered. Let us put our love into this Christmas even as God put His love into the first Christmas "Love be yours and love be mine. Love to God and love to man. Our love, God's love, Love Divine! This love shall be our token.

ARMY TESTS SHOW MANY EYE DEFECTS

Army tests of vision have revealed many shortcomings in sight of inductees who in civilian life had not suspected that they could not see as well as other people according to the Better Vision Institute. About one out of every seven men in our military forces wear glasses, which are provided without cost to soldiers. About 10 per cent of all spectacles dispensed to the armed forces are designed to correct mixed astigmatism.

JUDGE HAMILTON ORDERS "LIGHTS OUT AT MIDNIGHT"

An ultimatum to bars and roadhouses in Frankfort and Franklin county to put out their lights and disperse their customers promptly at midnight has been issued by County Judge Boone Hamilton.

"We are at war and need our energy," he said. "People can't stay up till 3 a. m. and do good work next day."

The Judge, who also is County Alcoholic Administrator, said he prayed up late himself on inauguration night and found out that many places closed their doors at midnight, but allowed those present to stay there and drink.

"The licenses of those who don't obey will be revoked," he declared, "as a war measure."

Judge Hamilton said the city had no Alcoholic Administrator and that in the absence of one he law authorized the County Administrator to act in that capacity.

MINISTERS MEETING MONDAY

LOCAL PERSONAL SOCIAL

THE FIRST SNOW

Across the petaled world I go,
Enclosed by fleeing wings of snow.
There is no sound, the softness here
Falls with the silence on the ear,
A dream of lightness, like the reel
Of fairies, only this is real.
A dream of movement without sound.

Flowers fleeting to the ground,
And softness softer than the tone
Of fairies calling fairies home.
—Marguerite Alvis Venable

WAVES GIVE NAVY FLIERS LAST CHANCE

"The Parachute is a man's last chance to join a crew," says one who reads a sign on the walls of the parachute-packing rooms at a Naval Air Base, and there is also each parachute is the name of the WAVE who packed it. Every flier jumps, he often sends a box of candy to the WAVE who "GAVE HIM A GOOD ONE."

Parachute rigging is one of the most attractive and important jobs in which women are serving The Navy. Many girls are from this section and are holding down such important jobs now. They are trained in a short time and find different civilian jobs when the war is over. They are urged to see Mrs. Bertha Westfall for an appointment with the Navy Recruiter when he visits Carlisle next week.

CHILDREN WITH SORE THROATS SENT HOME

Forty-two children, students in Carlisle's city schools, were sent home Monday after examination by public health nurses disclosed the fact that they were suffering from sore throats.

Prof. E. E. Planstiel, superintendent of city schools, said he had ordered the examination of all pupils as a precautionary measure after several cases of scarlet fever had been reported in Nicholas county and one suspected case was reported in Carlisle.

Mrs. Robert Fisher and Mrs. Ruth Harrell, county health nurses, examined the children and recommended that they be kept under observation for a week. The nurses are connected with the health office, headed by Dr. L. B. Loftin.

Dr. Loftin, whose territory includes several counties surrounding Nicholas, said he approved the action ordered by Mr. Planstiel as in accord with the best interests of Carlisle and Nicholas county.

Dr. Loftin says there are 50 to 75 cases of scarlet fever in the northern portion of Bourbon county above Millersburg and that 10 cases of scarlet fever in Harrison county had been traced to contacts with sufferers from the malady in Bourbon county.

Dr. Loftin said most of the cases of scarlet fever in his territory are of a comparatively light nature, and that, while all of the patients are bedfast, only about 70 per cent of them actually suffer from the rash ordinarily associated with severe cases of the disease. Most of the patients complain of severe sore throats.

INFANTILE PARALYSIS FUND-RAISING DRIVE

Plans are being made for the annual fund-raising drive to raise money with which to finish infantile paralysis in the State and nation.

In Nicholas county the committee will be under the leadership of Judge Walter Shepherd, whose appointment as chairman for the county was announced by H. St. G. T. Carmichael, State Chairman.

The county quota which the people of the State is divided into two parts, one part is sent to the National Foundation for Infantile Paralysis, which uses it for research into the cause and cure for this disease, and also sends money, doctors, nurses and other help to area where an epidemic rages.

The other half is turned over to the Kentucky State Chapter of the Foundation, which pays it out when called on by the Kentucky Crippled Children's Commission in cases of infantile paralysis only. The funds are also brought to Kentucky in 1942 during an epidemic a trained Kenny technician who is still working at the Knoxville hospital in Louisville, where an number of thirty children from all over the State are receiving treatment. The Chapter also sent two trained nurses to the University of Minnesota for a six-months course in the Kenny method and is having their salaries at the same hospital, where they are stationed.

CLARENCE MILLER NAMED COMMISSIONER OF FINANCE

Governor Willis has appointed Clarence Miller, Lexington banker, and former state senator, commissioner of State Finance Commissioner.

In a letter thankine Miller for taking the post, the Governor said: "You are to have a free hand in the department and in all the divisions and agencies under you. I stand ready to help you in giving the state an outstanding administration."

Why Vicks VAPORUB Is So Good
For Relieving Miseries of
Childrens Colds

More than two generations ago—in grandmother's day—motives first discovered Vicks VapoRub. Today it is the most widely used home remedy for relieving miseries of children's colds. And here is the reason . . .

The moment you rub VapoRub on the throat, chest and back at bedtime it starts to work two ways at once—and keeps on working for hours—in one combined system. Soothes over-congestion in cold-clogged upper bronchial passages, relieves muscular soreness or tightness. It promotes restful sleep. Often most of the misery of the cold is gone by morning! That's why VapoRub is so good to use when colds strike. Try it!
