Recipe Of The Week

Homemakers On Alert For Moths

Now is the time for every housewife to be on the alert for the pest which has already started its work in the home.

Now is the time for every housewife to be on the alert for the pest which has already started its work in the home.

The Garden

The late frost has not yet done its worst. The gardeners who have planted their seeds and transplants are now beginning to show signs of life.

The late frost has not yet done its worst. The gardeners who have planted their seeds and transplants are now beginning to show signs of life.

Among the City Agents

Approximately 300 families in Nicholas County are now being visited by the city agents.
