NEWS OF KENTUCKY

On account of immense damage to crops and livestock by the late season's drought, the State Department of Agriculture is planning to provide relief to the livestock industry through the purchase of feed grains for the winter months.
A new stock is available with supplies of the highest quality human foods becoming scarce.
The State Department of Agriculture is planning to provide relief to the livestock industry through the purchase of feed grains for the winter months.

NEED MONEY?

Our New Loan Plan
1. Just put up the money and we will handle the rest.
2. No matter how small the amount, we will handle it.
3. We pay no phone call if you don't want it.
