### Here's Word from Bill!

"... and tell my old pane dou I'm thinking of them. I see ion of telephone materials every da shells and field commi shells and field communications equipment. We need a steady stream of these supplies to term— and being a telephone men, I know that telephone inter have to earry many calls affecting preduc-tion and transportation of fight-ing equipment. So I hope you bomfolks are beliping to keep the uverst clear, for war calls which MUST go through. Lest, BILL!

Fellows like Bill Jones—on the fighting front—know what they're talking about when they say that Victory depends upon an unceasing flow of sup-plies. And at home, those directing the war effort rely on the telephone to keep muni-
