He was a member of the Kentucky State Bar Association and served as its president in 1932. He was also a member of the Kentucky State Teachers' Association and the Kentucky State Education Association.

"NEW HILLTOP" BY ITS ERROR OF 1919

by electing in 1943 a DEMOCRATIC STATE TICKET to cooperate with and give aid to our PRESIDENT and Commander-in-chief, as he plots the course to assure the objective for which we now fight."

NOTE THE STRAIGHT DEMOCRATIC TICKET • TUESDAY, NOV. 2, 1943

- Only two states—Kentucky and New Jersey—will elect officials this year.
- The Nation, and all of its Allies, are vitally interested in the outcome in each state because the result will indicate trend of opinion and in approaching proper solutions of the post-war problems.
- By voting the straight Democratic ticket in Kentucky November 2, you have an opportunity to say to the world that Kentuckians are backing the men in arms, supporting the war leadership and are concerned in the welfare of the fighting men and women to the extent that a constructive post-war program is adopted.

TIDBITS of Kentucky Folklore

EDITH IN THE WAGON
Edith, the daughter of a prominent family in Louisville, was once seen in a wagon with a man who was supposed to be a thief. The man was carrying a large bundle of goods, and Edith was sitting next to him. The wagon was stopped at a check point, and the man was searched. A large quantity of stolen goods was found in the wagon, and Edith was arrested.

RELIEF FOR AMERICANS
The American people are suffering from the effects of the war. The government should take steps to provide relief for the most needy. This can be done by increasing the production of goods and services, and by providing financial assistance to those who are in need.

THE BIGGEST QUESTION

THE BIGGEST QUESTION
The biggest question facing the nation is how to win the war and maintain peace. This requires a strong and unified government. It also requires the cooperation of all citizens. We must work together to defeat our enemies and to build a better future for ourselves.
