OF  
**68-Acre Farm and Personality**  
ON  
**THURSDAY, SEPT. 30, 1943**  
AT 10:30 A. M.

As agents, we will offer for sale on the premises, located on the Salt and Headquarters road, one mile North of Headquarters and 8 miles west of Carlisle, a farm and personal property belonging to Mrs. Mollie Reeves.

This farm is located in a good farming region. Easily accessible to leading farm markets convenient to churches and schools. This farm is an income builder and is equally as desirable for a home.

The farm contains 68 acres of rolling limestone bluegrass soil. Easy to cultivate and all in grass. Ample water supply and good fencing. Improvements consist of a 5-room house, another small house in rear barn and all other necessary outbuildings. All buildings in good repair.

Following the sale of farm, we will sell the following items:

- 4 Good Cows
- 1 Heifer, Fresh Soon
- 15 Hens
- Hay Rakes
- Numerous other articles of household and kitchen furniture and small farming tools.

TERMS WILL BE ANNOUNCED ON DAY OF SALE. Immediate possession will be given to the farm. Prospective buyers will be given details as to terms and will show the farm by Mrs. Reeves, who resides there, or by the selling agent.

We live and own a share of the faith and fate of America. Therefore, buy War Bonds and this farm.

MRS. MOLLIE (W. E.) REEVES

**The American Way**  
SOMETHING FOR NOTHING  
By George Peck  
The search for security would seem to be the Number One problem of the day. It is a world-wide desire that partially explains the present situation. The "American Way" is the only way to security. It is the only way to a better life. It is the only way to a better future.

**Just ask the Emile Heggs**  
what *The American Spirit* means

This thing how precious is this knowledge that ONLY AMERICANS HAVE... if they Red or Land where it never existed

Emile and Marie Heggs were born and bred in Alsace Lorraine at a time when their native land was under the heel of a conqueror.

In 1924, they freed themselves from the political and economic uncertainty that governed their daily lives and came to America.

Emile started work as a common laborer in the L.N.C. shop at Birmingham, Alabama. Soon they found the emigrant laborer and Marie became full-fledged citizens in a land where individual rights and freedoms were guaranteed.

On December 7, 1941, war came to America... their American home. They found the emigrant laborer and Marie became full-fledged citizens in a land where individual rights and freedoms were guaranteed.

**Democracy implies service.**  
The individual develops his character and his ability to serve in the field in order that he may be able to contribute to the betterment of the whole group.

Democracy is not something that is given to us by our government. It is something that we must create for ourselves as a result of slow, steady, persistent growth of the citizen's character.
