IT'S CHRISTMAS AGAIN

Here we are on the threshold of Christmas, 1944, and approaching the dawn of a New Year—1945. What can be said at this time that has not already been spoken and written over and over hundreds of times? Yet, we always find ourselves at Christmas with a desire to give some expression in keeping with the occasion and the best thought we know of is a prayer for peace at the anniversary of the Prince of Peace. There was never a time when there were more American homes anxious for a war to come to an end than now. Many of those in high places believed the war with Germany would have been over before this Christmas, but to the contrary it seems to have recently but anew in flaming terror on some fronts. A prayer for Peace this Christmas is the best thought we have. Let's not forget the boys who are giving their lives for a principle we all hold dear—peace and good will to all nations.

SIXTEEN PAGES

Some few weeks back to be exact, November 9, The Mercury issued a four-page paper which was due to conditions unavoidable. Today we are issuing 16 full pages, making up for the small size issue a hundred fold. Every page and every column of this Christmas Edition of The Mercury contains interesting news. The advertisements especially the Christmas Greetings are full of interest in addition to all regular features and some additional special features are carried in this issue. We hope you will like it.

CONGRATULATIONS

Every individual in Nicholas county who helped to put the Sixth War Loan drive over are to be congratulated. The final results demonstrate what can be accomplished when loyal citizens set their wills to accomplish a definite purpose. Congratulations, the boys from Nicholas county in the armed forces will rejoice with you when they receive the news that Nicholas county oversold its Sixth War Loan quota by more than $25,000.

LET US KEEP CHRISTMAS

Whatever else be lost among the years,
Let us keep Christmas still a shining thing;
Whatever doubts assail us, or what fears,
Let us hold close one day, remembering
Its poignant meaning for the hearts of men.
Let us set back our childlike faith again.
