BACK UP YOUR BOY Burease year Gerrall saviness Cerval

or our INSLUT SPRAY the fine particles are drawn into the breathing tubes causing paralysis and contraction which prevents breathing and the insect dies of suffocation, All that is necessary to demonstrate this is a small bottle of our INSECT SPRAY and a sprayer. The few cents invested in these are regaid many times in increased comfort, cleanliness and safety from disease.

Equally effective against all insects. Harmless to man and animals. Will not Stain or otherwise injure clothing, house furnishings, etc. No disagreeable odor. Convenient and handy to use.
