GAINS 10 LBS. TAKING BETONGA; FEELS FINE

Distress From Nervous Indigestion Promptly Relieved And She Can Work In Her Yard Now, Says Well-Known Resident, Tells About Her Case.

MRS. G. R. CULLUM

"I have regained ten pounds through taking Betonga and I feel like a different person," happily declares Mrs. G. R. Cullum, who lives at 212 North 3rd St., N. W. Atlanta Ga. Mrs. Cullum is a member of the Baptist Church, Eastern Star, and vice-president of the B. O. A., training for teachers.

Speaking of Betonga Mrs. Cullum gratefully continued: "For years nervous indigestion caused me so much distress that I could not eat. I was so weak that I could hardly stand up. I had to resort to laxatives almost daily. Betonga is 'splendid medicine' for me. It has relieved my stomach, and I seldom vomit. I can now eat and sleep as well as I did before. I feel like a new person. I can now do my housework and I had to let my flowers and yard just grow up."

"Betonga gave me such grand relief I now enjoy every meal. I sleep the whole night, and I have discarded all harsh cathartics. I feel so much stronger that I actually ran a lawnmower over my large yard and felt no ill effects. Betonga is 'splendid medicine' for me. It has relieved my stomach, and I seldom vomit. I can now eat and sleep as well as I did before. I feel like a new person. I can now do my housework and I had to let my flowers and yard just grow up."
