Spearheading War on Typhus in 'Sunny Italy'

Ready with traps and other delousing equipment, members of the first squad of the U. S. Army assigned to fight typhus in Naples (left) are at work in a room of a hotel building. The men with the traps are Italian members of a delousing squad. Right: Here the "traps" is a woman who has been exposed to typhus. She has been living in a fly tunnel in the same section of Naples.

LOOKING AHEAD

Washing Jobs. One day in the outskirts of Chicago a self-inflicted traffic accident. A grocer's delivery car struck one several children playing in the street and injured his painfully. Frantically scattered in exciting disorder seeking the boy's parents, a doctor, a policeman. Each child tried to do what he thought most should be done. The father, a hairy peasant, was the first to arrive.

THE GARDEN

For many fruitarians, there are no gardeners. They are "fruiting up" or just growing and not doing anything to keep on with the garden. They are not interested in the garden as a hobby, but as a means of getting a crop of fruit.

NEWS OF KENTUCKY

The Kentucky Society for Crippled Children has contributed \$50,000 to fight the epidemic of infantile paralysis in the state. The society has also contributed \$10,000 to the state hospital for the blind.

GREENS

Although one might think that the green season is over, it is not. The green season is still in full swing and will continue for some time longer.

On Kentucky Farms

Griffin Brown, in Crittendon County, harvested 69 pigs from eight pens in houses on a hillside. The pigs were raised on a hillside and were very healthy.

INSURANCE CONTROL

In an effort to control the insurance industry, the state has passed a law which will require all insurance companies to be licensed by the state.

Damage Estimated at \$250,000

Caused by fire that destroyed the Baker & Kasper Hardware Store at Shelbyville. The store was a large one and had a large stock of goods.

Harvesting Tobacco

The tobacco harvest is well advanced in the state. The farmers are busy picking the leaves and are expected to have a good crop.

Accidents in Kentucky

During June resulted in 15 deaths. The most common cause of death was automobile accidents. There were also several deaths from other causes.

More Hybrid Corn

When County Agent G. H. Karna made a survey of corn production in the county, he found that the farmers were producing a large amount of hybrid corn.

Why Pantelleria Surrendered

Robert M. Dremann, Superintendent of the Pantelleria Island, Sicily, has reported that the island has surrendered to the Allies. The island was held by the Germans for some time.

Make More Garments

Home Sewing Club of Fleming County has made garments for the Red Cross. The club has been very active in making clothing for the war effort.

Family Save

Misses Vada and Mildred Yarbrough, of Glasgow, have saved a large amount of money for the war effort. They have been very frugal in their spending.
